DETAILED ACTION

Allowable Subject Matter

Claims 1-19 are allowed.

The following is an Examiner's statement of reasons for allowance:

Claims 1-19 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims including

if a collision is detected, avoid sending the independent second message portion to the first subscriber, otherwise, send the independent second message portion for the first subscriber based on a second outbound, as specified in claims 1 and 13; and

if a collision is detected, placing collision detection data in a control slot readable by other subscribers, wherein the collision detection data indicates that the outbound message for the first subscriber has been terminated due to a collision, as specified in claims 6 and 18; and

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
